Tesco Foods Plc.,

Dear Mr Marcus,

EXPRESSION OF INTEREST FOR FINANCIAL ACCOUNTANT POSITION AT TESCO FOODS PLC

The room was silent except for the soft hum of the air conditioner. I had exactly ten minutes to present a budget revision. My manager had handed me the numbers just an hour before. Everything about the budget was off, and I had to fix it fast. I dove into the spreadsheets, identified inconsistencies, and restructured the proposal on the spot. When I stood to speak, I wasn't just presenting figures—I was telling a story of how smart financial management could maximize resources and triple results. The panel approved the revised budget unanimously, and my team never forgot that moment. That was six years ago, and today I'm still crunching numbers just as effectively.

My name is King Nosa, and I am writing to express my interest in the Financial Accountant position at Tesco Foods Plc. With a strong background in financial reporting, budgeting, and regulatory compliance, I am confident in my ability to contribute to your team and support the company's financial goals.

I hold a degree in Accounting and have over six years of hands-on experience in financial accounting roles, where I was responsible for preparing accurate financial statements, managing audits, reconciling accounts, and ensuring compliance with local and international accounting standards. I am proficient in using accounting software such as QuickBooks, Sage, and SAP, and I bring a detail-oriented approach to financial analysis and reporting.

What sets me apart is my ability to combine technical accounting expertise with strategic thinking and strong communication. I have successfully collaborated with cross-functional teams to streamline processes, reduce errors, and support decision-making through timely financial insights.

I am excited about the opportunity to bring my skills to Tesco Foods Plc. I am confident that my background and enthusiasm for financial management would be a valuable asset to the innovative and excellent team at Tesco Foods Plc.

Thank you for your time, and for considering my application. Please find my CV attached for more information. I am available to provide further documentation for your kind perusal, if need be. Thank you again.

Sincerely,

KNG

King Nosa
